**An Important Announcement from the
Wyoming Medicaid Pharmacy Program**

Effective September 1, 2005 the dispensing fee for Over-the-Counter (OTC) medications will change to AWP-11% plus a \$5.00 dispensing fee. This change will bring the reimbursement for the OTC's into alignment with that of legend drugs.

This is pursuant to the most recent Rule change of the Chapter 10 Wyoming Medicaid Pharmaceutical Services Rule. Please refer to Section 4(x) and Section 4(ee) of the Rule for further information.

If you have any questions, please contact the ACS Provider Relations Unit at 1-800-251-1268.
